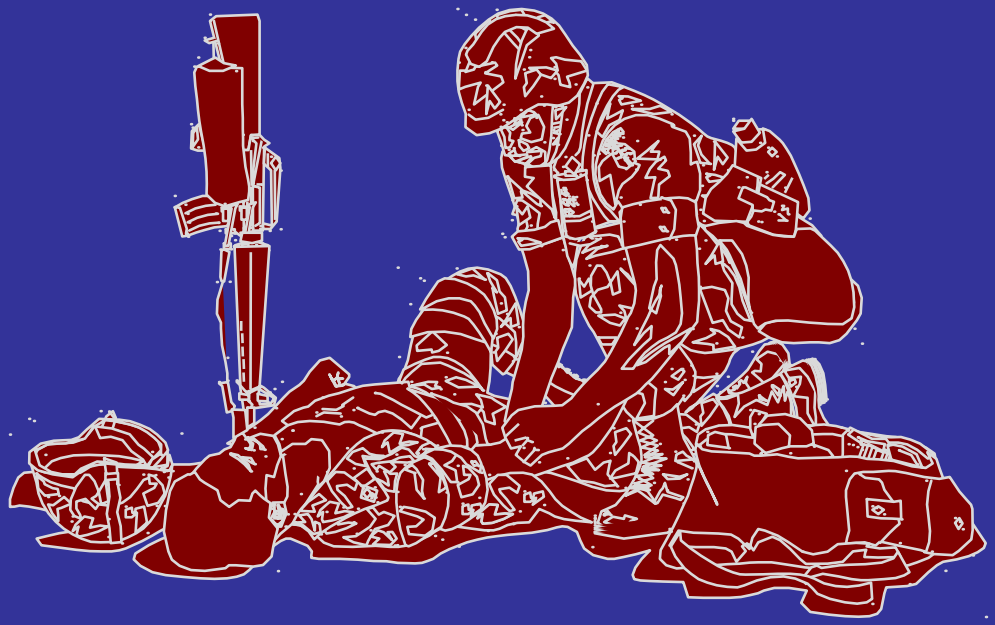
# WESTERN REGIONAL MEDICAL CONFERENCE
# TRANSFORMING WHILE AT WAR



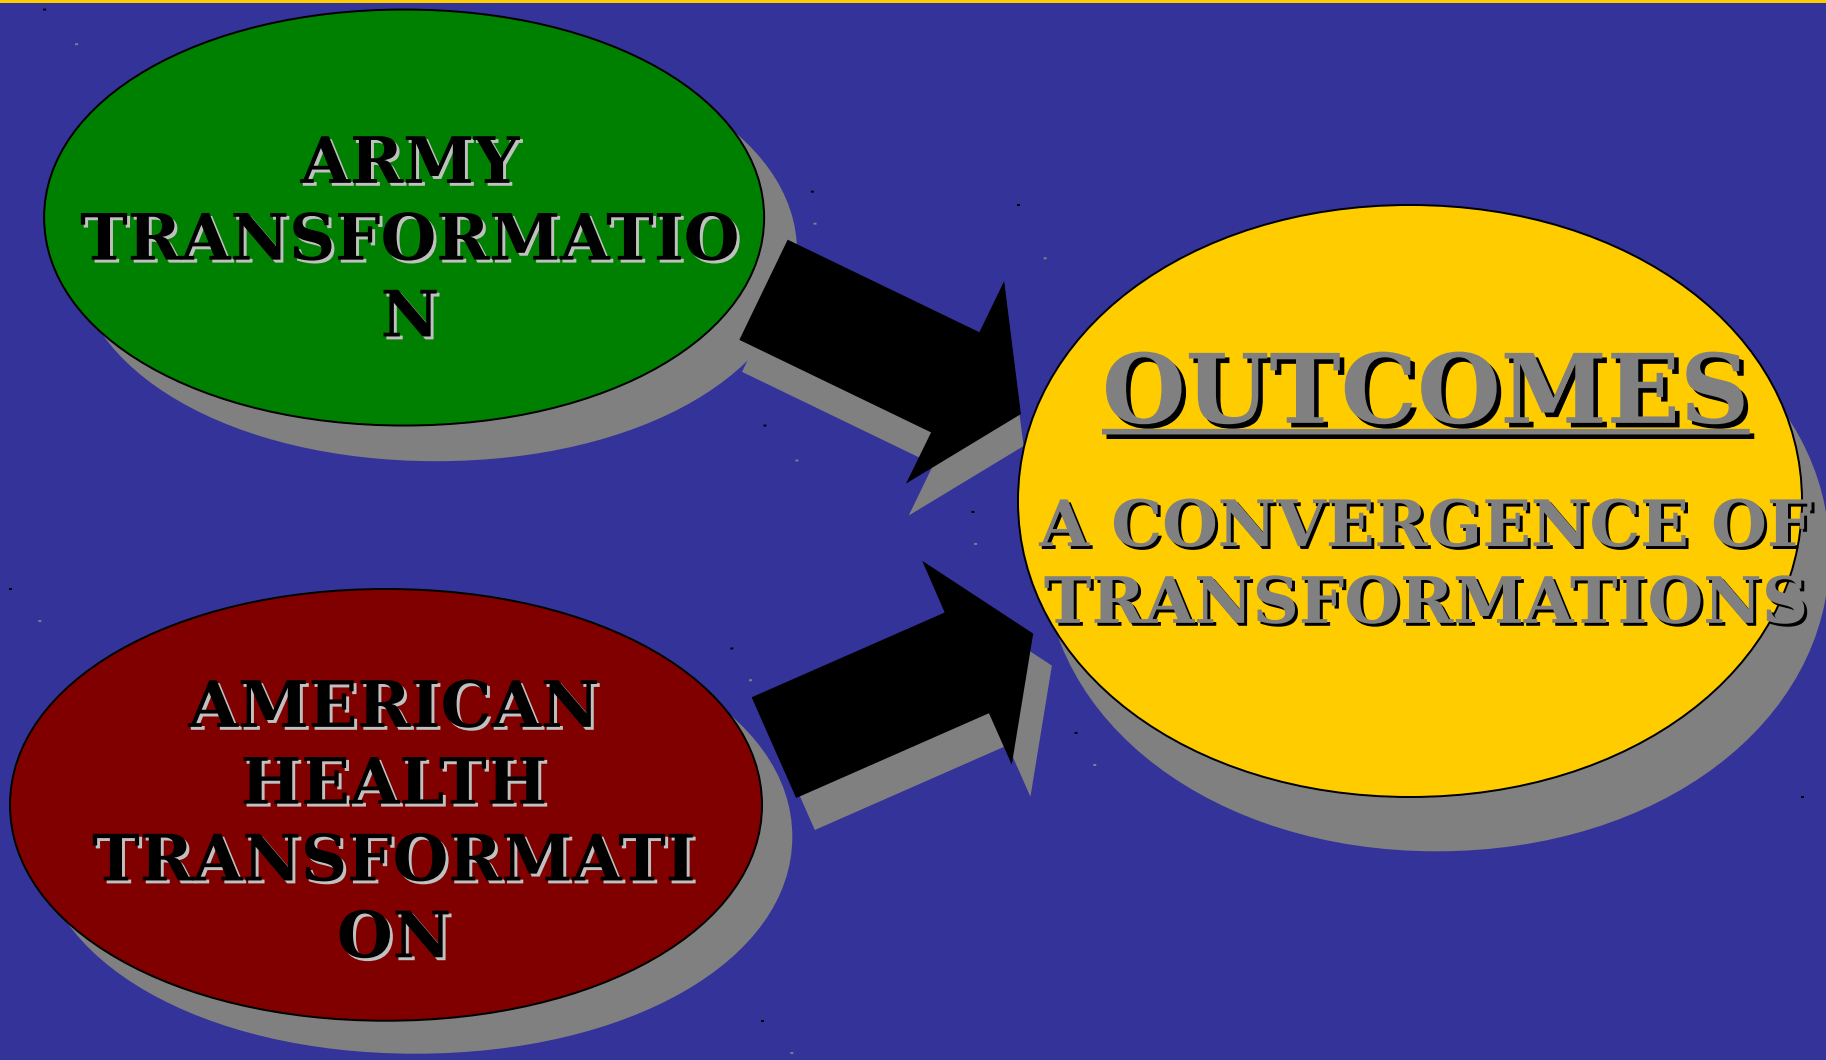
## BG MICHAEL A. DUNN
### CG, WESTERN RMC AND MADIGAN ARMY MEDICAL CENTER

## 21-22 MAY 2004

HENSLE

# OUTCOMES

## *THE TRANSFORMATION OF ARMY HEALTH*



# OUTCOMES

## *TRANSFORMING MILITARY HEALTH*

**To transform Army health, transform the system**

**"The current care systems cannot do the job. Trying harder will not work. Changin systems of care will."**

**How?**

# OUTCOMES

## *A TRANSFORMATIONAL CONCEPT*

### We Transform What We Measure

**PAST (1992):** **Measure COSTS - the 90's failed health reform effort.**

**PRESENT:** **Measure CARE VOLUME - confuses more work with better care.**

**FUTURE :** **Measure care RESULTS -how care affects peoples' lives: its OUTCOMES.**

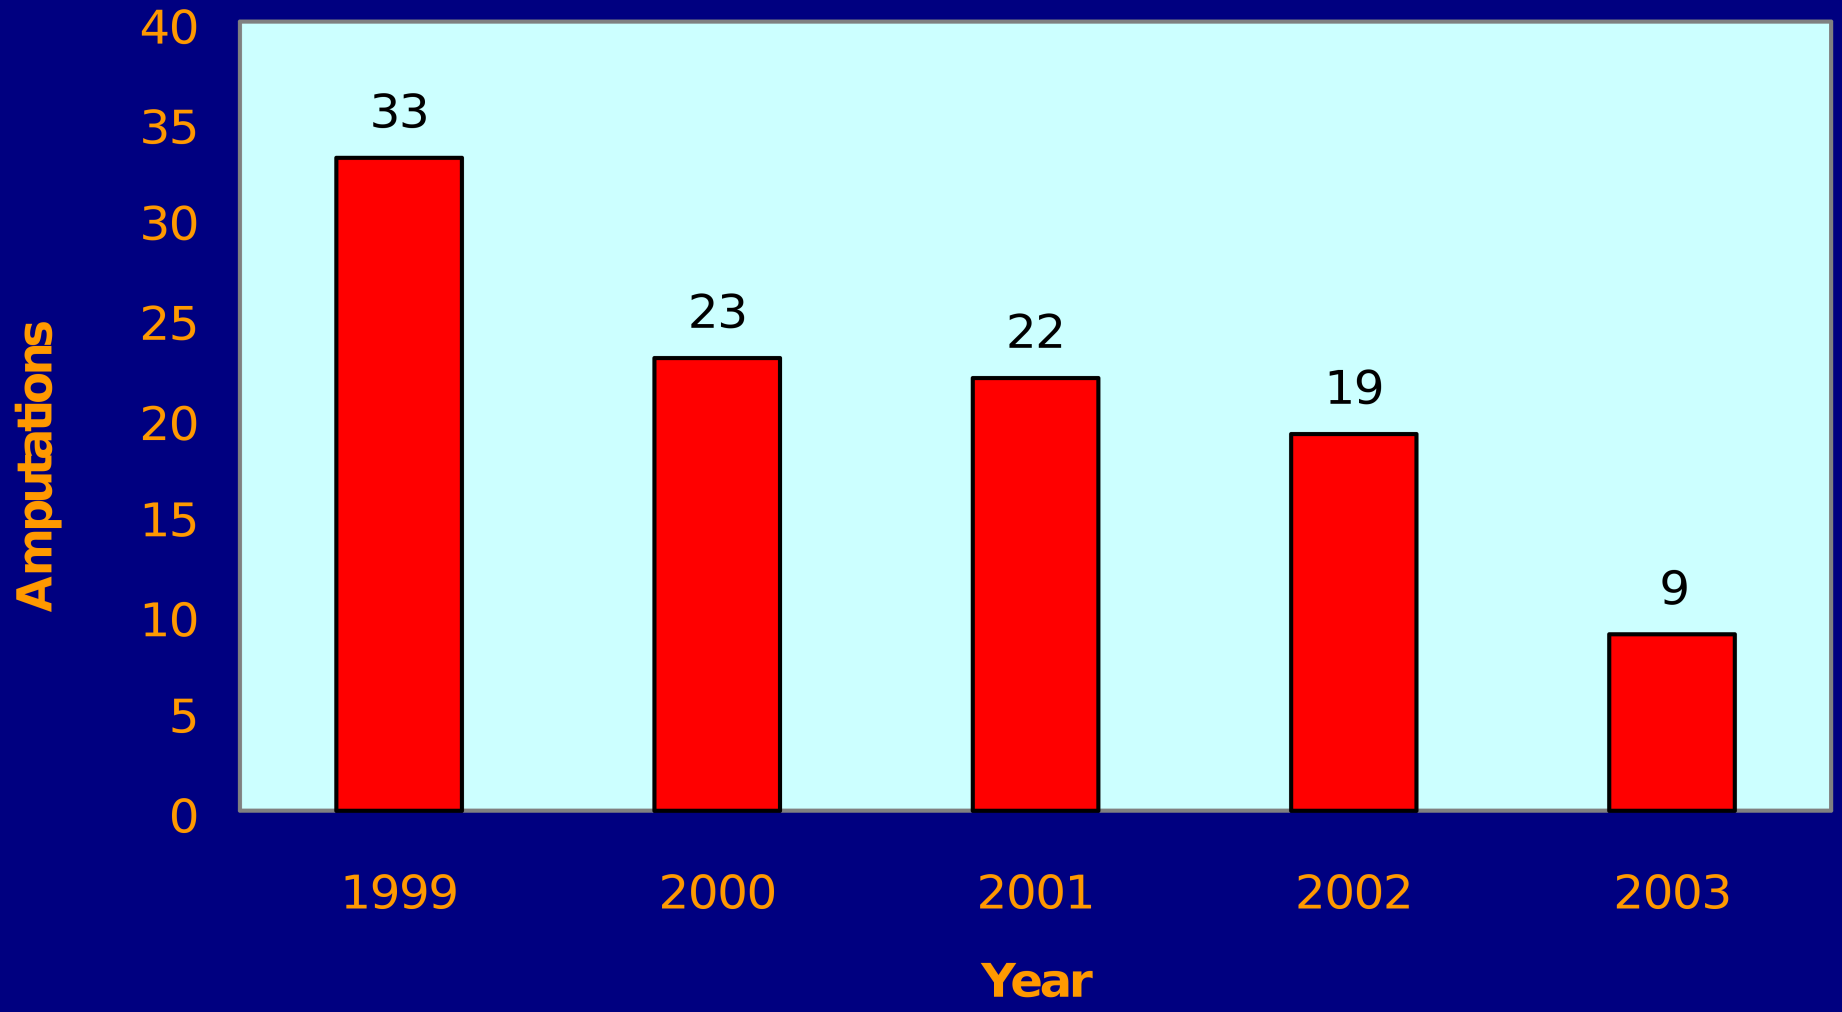
# OUTCOMES SCORECARDS: PMCS FOR PEOPLE

**Diabetes Scorecard on screen at point of care**

- ¤ Hemoglobin A1C ≤ 7%
- ¤ Annual Dilated Retinal Exam
- ¤ ACE Inhibitor for Microalbuminuria
- ¤ Blood Pressure ≤ 130/80
- ¤ LDL Cholesterol ≤ 100 or NCEP Target
- ¤ Aspirin Use
- ¤ Up To Date Foot, Vascular, Neuro Checks

**Data entered/updated only once, fed from ICDB**

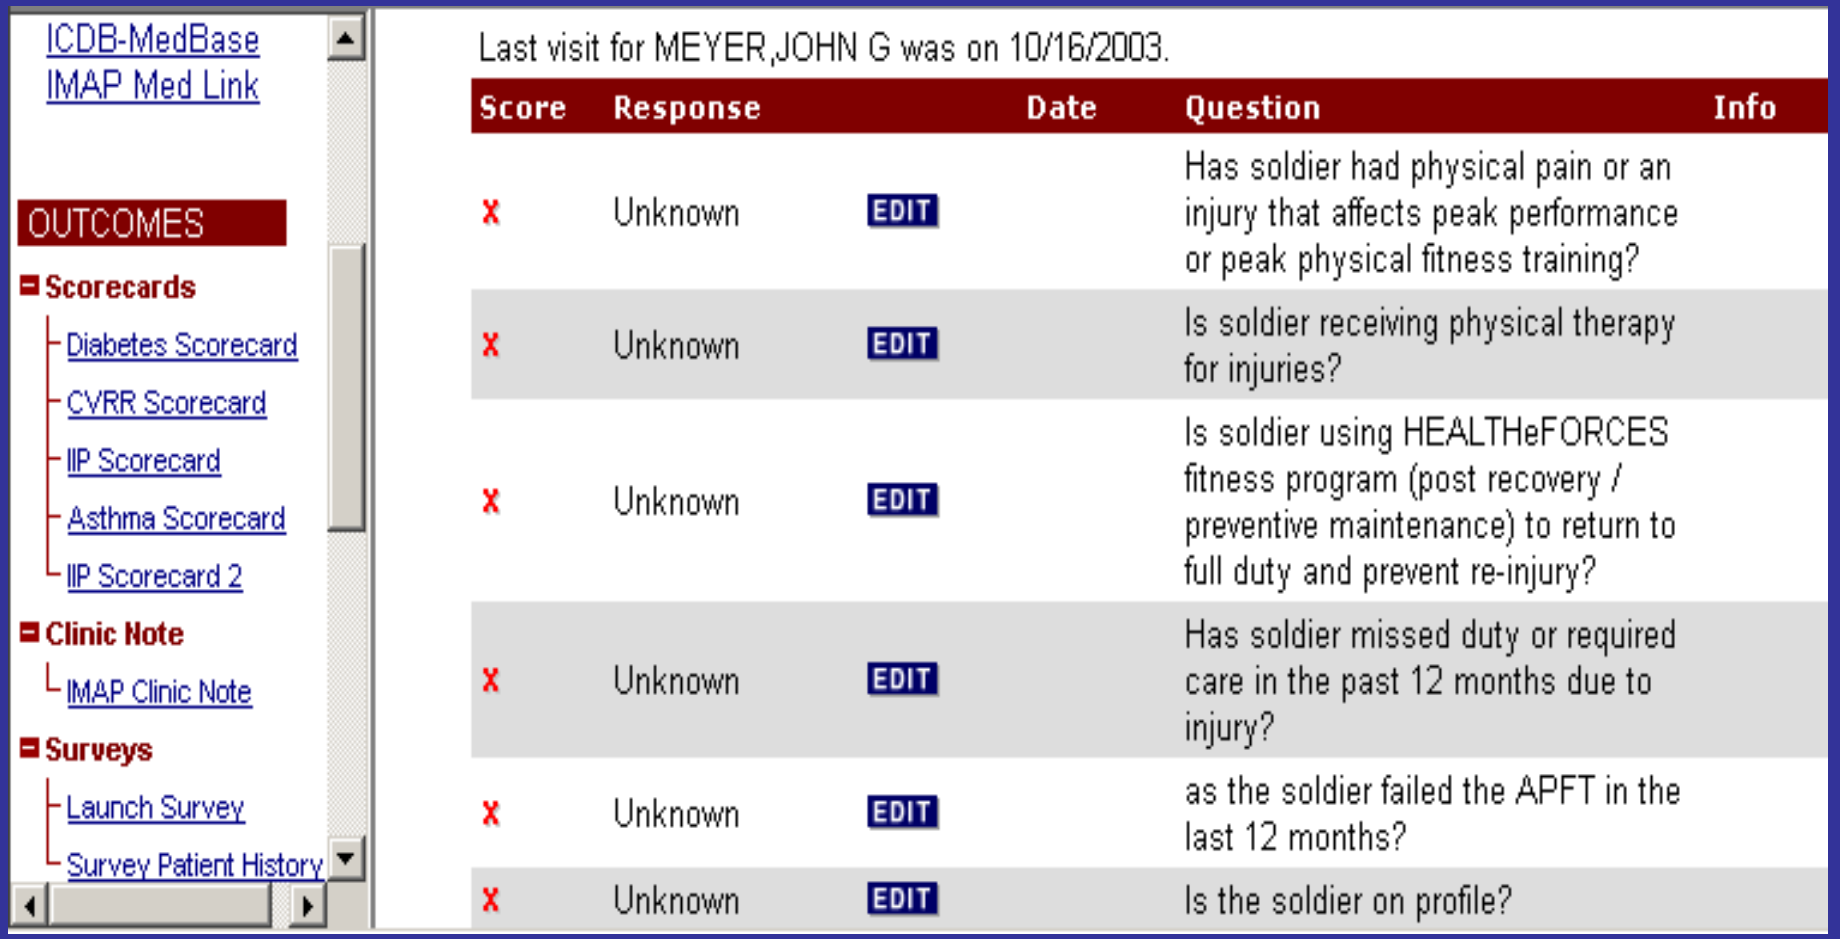
# Total Lower Extremity Amputations for Diabetic Patients at MAMC



# OUTCOMES AS AN SBCT MEDICAL ASSET

# PMCS FOR SOLDIERS: INJURY PREVENTION SCORECARD

## Done At SRP, Visible at Madigan and on Field Medic PDA



# PMCS FOR SOLDIERS: INJURY PREVENTION CARE STARTS IMMEDIATELY AT SRP SIT

# Soldier Injury Prevention

**Of 4150 Soldiers from 3d Brigade, 2 ID completing SRP as of 21 October:**

- **1935 Injury Prevention Scorecards**
- **400 Identified As High Re-Injury Risk**
- **On-Site Initiation of Sports**

**THE BOTTOM LINE:**

**Health transformation is Army transformation**
